

# Longmont's Local Flavors!

Sponsored by

The Longmont Small Business Association (LSBA) and our Think Local First Program is proud to present *Longmont's Local Flavors!*

The LSBA, in cooperation with the Twin Peak's Mall, is holding an indoor market to enable Longmont's local small businesses to feature their wares, goods, and services. Come and experience the sights and sounds of *Longmont's Local Flavors!*; a fusion of Longmont's local foods, produce, handcrafted products and services.

The LSBA understands the need to help small business and we are there to support you and provide you with this amazing opportunity! Let's show our Longmont Community how and why they need to be Thinking Local First!

The March market is the pilot of this celebration of local business and it is our mission to develop the market into a year 'round, monthly event! So let's join together to make this first indoor market a smashing success!
